Family Pet

Grooming Form

Grooming instructions:

☐ I understand that payment for grooming services is cash or check only. Checks need to be made out to Robin Hollifield or Kristi Lawrence.

- If any extensive dirt or external parasite problem is found on my pet, I understand that the patient will be cleaned and/or deflead at my cost.

For the safety of your pets, please remove all collars. We are not responsible for lost collars, toys or blankets.

I understand that some risks always exist with anesthesia and that I am encouraged to discuss any concerns I have about those risks with the attending veterinarian before the procedure(s) is/are initiated.

In order to offer the best medical care possible, we are offering a pre-anesthetic blood screen for your pet undergoing an anesthetic procedure. ANESTHESIA CARRIES SOME RISK (even though it may be small.) This blood screen will evaluate your pet’s liver and kidneys. These organs remove the anesthetic chemicals from the body. This blood screen will allow us to take the necessary precautions if any abnormalities are detected.

If your pet needs to be sedated would you like us to run a prescreen? The prescreen is $69.00.

YES ☐               NO ☐
